

Microbiology and Cell Science Advanced Lab
MCB 4034L
Registration Form

Registration in MCB 4034L is departmentally controlled due to the limited number of laboratory seats. First priority will be given to Microbiology and Cell Science majors who are completing their last semester of course work and need the lab to fulfill the advanced laboratory requirement. Priority will also be given by the date the form is completed and turned-in to the Microbiology and Cell Science Department front office.

To be eligible for registration, students must complete this form in its entirety and return it to room 1052 in the Microbiology and Cell Science building. There is a specific deadline to submit this form for eligibility for registration each semester. Please contact the department secretary at 392-1906 for the exact date. Students will be notified via email of the final status of their registration in this course.
