MCB 4034L Advanced Lab, 1 credit
Registration Form

Registration in MCB 4034L is departmentally controlled to assure Micro majors a seat their semester of graduation. First priority will be given to Microbiology and Cell Science majors who are completing their last semester of course work and need the lab to fulfill the advanced laboratory requirement. Priority will also be given to other majors by the date the form is completed and turned in to the Microbiology and Cell Science Department Room 1047. To be eligible for registration, please complete this form and return it to room 1047 in the Microbiology and Cell Science building. The deadline to submit the form is noon the day prior to the last day of registration. MAKE SURE ALL HOLDS ARE CLEARED BEFORE YOU TURN IN THE FORM. Registration in the course will constitute your registration receipt.

Name: __________________________________________________  UFID:_________________

Circle 1st choice of sections: Fall Semester the lab is taught the 1st HALF OF THE SEMESTER DATES TBA
Spring Semester the lab is taught the 2nd HALF OF THE SEMESTER DATES TBA
Summer lab is accelerated for morning and afternoon everyday for 6 days

Fall Semester:  
  Tues. & Thurs. 3-5  Tues. & Thurs. 7-9

Spring Semester:  
  Tues. & Thurs. 3-5  Tues. & Thurs. 7-9

Summer Accelerated lab:  TBA

If there is a reason you must have a specific time or day due to a class conflict such as PCB 4522 Genetics (spring) or MCB 4304 Genetics (fall) or MCB 4403 Prokaryotic (fall) or work conflict or other reason please explain:

Total number of credits at completion of current semester (if known):  ____________

Expected Semester of Graduation: (circle one)  Fall  Spring  Summer  Year _____________

Student Signature: ____________________________  Date: _______________________
(Your signature verifies that all HOLDS are cleared.)

For Official Use Only
Date returned to office ______________________  Reg. By ______________________  Date: ______________

Please read the back side (2nd page) of this form regarding the mandatory attendance policy and sign the statement that you have read it and understand it. If you print it off the web, be sure to print a copy, sign it, and staple it to the registration form.
MCB 4034L Attendance Policy

Attendance and participation in all lab periods is mandatory, and attendance at each lab will be monitored by a sign-in sheet. **Each time a student misses a lab, 25 points (out of 1000 total points; to earn an "A" in this class 935 points are needed) will be deducted from his/her overall grade at the end of the semester.** The ONLY exception to the 25 point deduction is if a student has to miss a lab due to illness, bereavement, or religious observance (documentation/proof for all three of these categories will be required). Absence due to professional school tests (MCAT, DAT, GRE) and/or professional/graduate school interviews will **NOT** be considered exceptions to the 25 point deduction; it is the student’s responsibility to try and avoid scheduling these commitments on lab days. The only way to avoid the 25 point deduction in these latter situations is if the student is able to attend an alternate lab section covering the experiments of the missed lab (space permitting). Students will still be responsible for entering a lab notebook entry for each missed lab (please “cite” the person from whom you are borrowing data/results for the purpose of completing the missing entry). Likewise, you are responsible for learning any missed course material (lectures, online assignments) for the midterm quiz and final exam, whether an absence is excused, unexcused, or unexpected.

Date: ____________ Student Signature: _______________________________
