

General Navigation using the UF “myinvestiGator” tool

myinvestiGator is a business intelligence tool specifically tailored to the needs of reviewing sponsored projects. It enables you to view customizable lists of sponsored projects and personnel.

Worklist Details

Click "myinvestiGator" again

To create a list, use the Search feature to locate projects. Then select the project(s) you want to add and click the Add to List button.

You will be taken to a blank page. Click the
“Search” button.

Projects People

Project ID/Description	Triplett	Department ID/Name	Award ID/Title	Award PI ID/Name
Agency Reference ID	Sponsor Name	Search		

To create a list, use the Search feature to locate projects. Then select the project(s) you want to add and click the Add to List button.

Choose your search criteria. You can search by Project number, Project PI (as in this example), and the other fields listed. If you enter project PI last name, it will pull all of the projects for that person. Click the **green** “Search” button.

Search Result

Optional: You may create a project list (to avoid searches in the future) by clicking “Add to My project list

Showing 12 Projects

Add to My Project List(s)

In the previous slide example, we chose the search criteria of “Project PI ID/ Name”. Investigator pulls up all of the projects for the searched PI. Select the project you wish to view by clicking on the appropriate row.

Click the small arrow next to "Project Summary" if top section is not expanded.
